Thank you! Heritage Day was amazing! Mrs. Bathish and I cannot thank you enough for supporting this project by attending, bringing food and paper products. I hope you enjoyed it as much as we did!

Report cards: Will be emailed February 5.

Science: With this crazy week, we did not get started on our new unit! It will begin on Monday! I can't wait!

Social Studies: Again, the busy week impacted social studies. Week 7 of USA Weekly is due on Monday. I am going to try something new with this chapter. I am giving the students the study guide and maps as we begin the chapter. The study guide should stay in the take home folder. Then we will check things off as we learn them.

Writing: A study guide for the second half of the verb unit will come home on Monday. It will be checked on Tuesday. The test will be Wednesday (unless the weather impacts this plan).

Math Bathish: Math: Cont. Multiplying Fractions 3.1-3.6: Quiz Thursday Jan. 31st Some of the students who are struggling with math need to work on memorizing the math facts. This alone will make math so much easier for each student.

Reading: Unit 2 Week 3 is focused on biographies. The strategy we are focusing on is re-reading. Please encourage your child to read and re-read for understanding.

Parent-teacher conferences will be on Thursday, February 7th from 5 – 8 p.m. The fifth grade teachers will be meeting with parents of certain children. If we did not schedule a conference for your child, yet you would like to have one…please let me know asap. A note was sent home Friday, Jan. 25th.

Feb. 5 – Rink Night 6-8
Feb. 7 – Parent/Teacher Conferences 5-8 p.m.
Feb. 13 – PTO Meeting 6:30
Feb. 15 – Bagel Day

Area families can create a successful game plan for their children's educational future at the 12th annual **Utica Community Schools Academic Blitz on Thursday, February 7 from 7 to 9 p.m.** at Henry Ford II High School, 11911 Clinton River Road in Sterling Heights.

The event is open to all area families interested in specific options available for UCS students.

There are nearly 20 breakout sessions that include topics such as: the Naviance career and college readiness tool, getting ready for high school and junior high school, dual enrollment, advanced placement programs, and the UCS high school specialty programs.

In addition, more than 10 informational booths will also be available with representatives from a variety of district programs, post-secondary programs and agencies that support area educational opportunities will also be available. Booths will open at 6 p.m.
